Philosophy
Books and Journals from Cambridge University Press

Cambridge is widely regarded as one of the world’s premier publishers of philosophical research, having one of the most recognisable and distinguished books lists as well as a growing collection of leading journals.

Our list brings a range of high-quality books by distinguished authors to readers at both student and specialist level.

All periods and sub-areas of philosophy are covered, and the list is particularly strong in history of philosophy.

Episteme is a general journal of epistemology in the analytic tradition that invites both informal and formal approaches. Among its primary "traditional" topics are knowledge, justification, evidence, reasons, rationality, skepticism, truth, probability, epistemic norms and values, and methodology. The journal devotes special attention to issues in social epistemology, including testimony, trust, disagreement, relativism, diversity and expertise, collective judgments (and the epistemic assessment of social institutions (e.g., science, law, democracy, and the media). The journal welcomes interdisciplinary approaches to epistemology that borrow methods from allied disciplines such as experimental psychology, linguistics, economics, game theory, evolutionary theory, and computer simulation studies. We do not publish purely historical work or case studies.

Submission of Manuscripts

All submissions to Episteme must be made through the ScholarOne Manuscripts site: mc.manuscriptcentral.com/epi

Papers should be double-spaced; font in 12 point Times New Roman. Articles not longer than 12,000 words are desirable. Longer pieces may be allowed at the editor’s discretion. All self-identifying marks should be removed from the article itself to facilitate blind reviews. Submitting an article to Episteme implies that it has not been published elsewhere and is not being considered for publication elsewhere. Authors must obtain written permission to publish any material of which they do not own the copyright. Authors of articles published in the journal assign copyright to Cambridge University Press (with certain rights reserved) and you will receive a copyright assignment form for signature on acceptance of your paper.
