This Journal issue has been printed on FSC™-certified paper and cover board. FSC is an independent, non-governmental, not-for-profit organization established to promote the responsible management of the world’s forests. Please see www.fsc.org for information.

The Journal of Laryngology & Otology (JLO) is a peer-reviewed publication, and is indexed/abstracted in most major databases including Index Medicus, MEDLINE/ PubMed, Science Citation Index, Current Contents and EMBASE.

Only a very brief summary of the submission requirements is presented here: when preparing their manuscripts, authors must consult and comply with the full Instructions for Authors on the JLO website at http://www.jlo.co.uk/docs/submittingarticles.htm

Adherence to these will speed up the editorial process.

All contributions are considered for publication on the understanding that they have been submitted solely to the JLO and that they have not previously been published. Contributions in the following categories will be considered: Main Articles (reporting clinical research or audit), Review Articles, Historical Articles, Short Communications (including ‘How I do it’), Clinical Reports (case reports), Radiology/Pathology/Oncology in Focus, and Letters to the Editors.

Submission
All contributions must be accompanied by a covering letter, which must be signed by all authors. Manuscripts should be submitted to the Editors:

- either online via www.jlo.co.uk
- or by post to the Editorial Office, The Journal of Laryngology & Otology, Maybank, Quickley Rise, Chorleywood, Hertfordshire WD3 5PE, UK (Tel/Fax: +44 (0)1923 283561; E-mail j.lo@btconnect.com). Three copies should be submitted, one on floppy disk or CD-ROM (including separate TIFF files of any figures) and two printed on paper (together with two sets of figures). The text of the manuscript (incorporating all tables and the figures legends, but not the figures themselves) must be saved as a Microsoft Word document or an RTF file (i.e. ‘rich text format’). Use double-spaced, unjustified text throughout. The title page must contain the full title of the paper; the names and qualifications of all authors; the department(s) and institution(s) where the work was carried out; and the name, postal and e-mail address, and telephone and fax numbers of the author responsible for all communications about the manuscript and proofs. An Abstract (maximum 150 words) and Key words must be provided for all contributions (except Letters).

References should be identified in the text by superscript Arabic numerals and listed at the end of the manuscript in the order in which they are first cited in the text. The tables feature of the word processor should be used to prepare Tables, and both these and the list of Figure legends should appear on separate pages at the end of the manuscript. All Figures must be saved as separate TIFF files at a resolution of 600 dpi.

The authors of all material accepted for publication will be required to assign copyright to JLO (1984) Ltd; a form for this purpose and for ordering offprints will accompany the proofs. The proofs will be sent by e-mail to the corresponding author as a PDF file, and should be corrected and returned within three working days.
