It's never been so easy or rewarding to contribute to medical research! Call me now for details of how to get involved!

Your participation in this research is entirely voluntary. It is your choice whether to participate or not. Whether you choose to participate or not, all the services you receive at this clinic will continue and nothing will change. If you choose not to participate in this research project, you will offered the treatment that is routinely offered in this clinic for drug misuse, and we will tell you more about it later. You may change your mind later and stop participating even if you agreed earlier. *Terms and conditions apply.
