

## EDITORIAL NOTICES

Papers submitted for publication in the JOURNAL should be submitted to the CHAIRMAN, PUBLICATIONS COMMITTEE, LONDONDERRY HOUSE, PARK LANE, W.1.

None of the papers or articles must be taken as expressing the opinion of the COUNCIL of the ASSOCIATION, unless such is definitely stated to be the case.

The submission of matter for publication will be understood to imply that it is offered to this Journal alone.

If accepted for publication, the copyright of papers becomes the property of the Association ; but they may be re-published by permission of the Council, provided due acknowledgement be made of their having appeared in the JOURNAL.

Papers should, if possible, be typewritten ; they should be concisely written with subject matter logically arranged and sub-divided ; and with indications of the position, in the text, of illustrations, tables, etc.

TITLES should be as brief as consistent with clarity ; and in many cases the value of a paper is enhanced by a short SUMMARY.

CHARTS, GRAPHS and DRAWINGS should be, if possible, in Indian ink on white board or strong paper ; with detail and essential lettering large enough to be clearly legible after reduction if necessary.

ILLUSTRATIONS—if the number sent in is considered excessive, the author may be informed and given the opportunity of contributing to the cost.

COLOURED PLATES are made only at the author's expense.
