(Received 9 July 1993; accepted 9 July 1993)

After this article appeared in the June issue of Journal of Materials Research, the author noticed some errors in the equations. In the first equation, a plus sign was omitted between the two fractions in the second line. And in the second equation, the variable $3n^2$ was changed to $3n^3$ in the last line. The correct equations are printed below.

\[
(R_B + R_t)^2 = \left(\frac{a}{2}\right)^2 + \left(\frac{a}{4} + y\right)^2 \quad \text{and} \quad \frac{R_t}{R_A} \left(3n^2 - 12n + 3\right) + \frac{R_t}{R_A} \cdot \left(3n^3 - 9n^2 - 9n + 3\right) + n^4 + n^3 + n + 1 = 0.
\]

\[
(R_A + R_t)^2 = \left(\frac{a}{2}\right)^2 + \left(\frac{a}{4} - y\right)^2
\]
