CHARLES S. PEIRCE MEMORIAL SOCIETY

The Pike County Historical Society of Milford, Pennsylvania, held a memorial meeting in honour of Charles S. Peirce, on 15 October, 1945, in recognition of him as a thinker and as citizen of Milford for the last third of his lifetime. The Rev’d. Frederic H. Young of Newark, New Jersey, and a Fellow in the Philosophy Department of Princeton University, presented a detailed biographical and analytical paper entitled “Charles Sanders Peirce: America’s Greatest Logician and Most Original Philosopher,” which is to be published by the Society.

In response to the Rev’d. Mr. Young’s paper, the Historical Society has not only begun a collection of Peirceana to be given to the Pike County Public Library, but is planning to establish a C. S. Peirce Scholarship Fund to encourage able students in the local academy, to start an Annual Lectureship on some aspect or related phase of Peirce, and to found a Charles S. Peirce Memorial Society under whose auspices future activities would be held.

Those interested in the founding and organization of the Peirce Society will please communicate with the Rev’d. Frederic H. Young, Graduate College, Princeton University, Princeton, New Jersey.
