Corrigendum

A survey of exercise advice and recommendations in United Kingdom paediatric cardiac clinics – CORRIGENDUM

Craig A. Williams, Lucy Gowing, Richard Horn, Alan Graham Stuart

First published online: 20 March 2017

The authors apologise for a missing label for one of the graphs in their published paper. It is missing from Figure 2 - the green label ‘concern about risks associated with exercise’ is missing.

Please see below the corrected Figure 2:
