IN THIS ISSUE:

Unplanned School Closure: Implications for Pandemic Influenza Preparedness
Attitudes and Perceptions of a “Dirty Bomb” Radiological Terror Event
Identification of Disaster-Vulnerable Communities By Use of Census Data

SPECIAL SECTION: EBOLA VIRUS
AND PUBLIC HEALTH (PART 1)
What can MRC volunteers do?

- Support local public health, while advancing the priorities of the U.S. Surgeon General by:
  - Promoting disease prevention
  - Improving health literacy
  - Eliminating health disparities
  - Enhancing public health preparedness

- Assist local hospitals and health departments with surge personnel needs

- Participate in mass prophylaxis and vaccination exercises and community disaster drills

- Train with local emergency response partners

- And much more…

Connect with your local MRC unit today!
