Is it in force?

Do you...

- trawl through publications to see if an Act or section of an Act is in force?
- need to be up-to-date with the very latest legislative developments?
- need access to amendments and repeals associated with an Act?
- know which sections of an Act are coming into force and when?
- have access to the full text of an Act or Statutory Instrument?
- find locating specific information relating to enactments time consuming?

Would you...

- like access to all this information, updated every 24 hours, in one place?
