The Economic and Labour Relations Review

Centre for Applied
Economic Research
Industrial Relations Research Centre

THE UNIVERSITY OF
NEW SOUTH WALES

ISSN 1035-3046

Aims

The Economic and Labour Relations Review is produced jointly by the Centre for Applied Economic Research and the Industrial Relations Research Centre at the University of New South Wales. The ELRR's primary focus is contemporary issues, developments and policymaking in the fields of economics and labour relations. The views expressed in the journal are those of the authors and should not be attributed to either Centre.
