## Locum consultants

The College continues to receive reports of a national shortage of suitably qualified psychiatrists able to carry out locum consultant works.

It has been agreed that the College will forward, to relevant College Regional advisers, the names of those consultant psychiatrists who have recently retired and who have contacted the College because they are willing to undertake locum consultant work on a short-term basis.

If any retired member is interested in this type of work, could they write to me, enclosing a brief curriculum vitae, together with some indication of the geographical area where they would be willing to work. It would be helpful to know the length of locums which they would be prepared to fill.
