BURBERRY CARAPACE AIRSUIT

"Sheath Armour for Knights of the Air."

The perfect one-piece Overall Suit to ensure warmth and protection.

THE CARAPACE AIR-SUIT is made up of three layers, each of different material.

THE OUTER COVERING is of Burberry Gabardine, so densely woven and proofed that it will withstand intense pressure from wind or rain.

NEXT COMES an interlining of woollen fleece, giving maximum warmth with minimum weight.

THE INNERMOST LINING is of glissade, which enables the airman to slip into the suit quickly.

THE SUIT IS REINFORCED by a double plastron of Burberry Gabardine across the chest and shoulders. The Burberry Puttee Collar, adjustable tabs for tightening sleeves or trouser legs, waist-belt adding comfort and stability, and large pockets, are further distinctive details. The helmet is of the latest approved Burberry pattern.

THE WHOLE OUTRIG, whilst affording efficient security, ventilates naturally, without the objectionable features of rubberproofs, oil-skins or leather, and is much less weighty and cumbersome.

R. F. C. and R.N.A.S. KIT Burberrys supply Uniforms Weatherproofs, and every detail of R.F.C. and R.N.A.S. equipment in cloths suitable for Europe and the East.

READY TO PUT ON.

Complete Outfits to Measure in from 2 to 4 Days.

During the War Officers' Burberry Weatherproofs Cleaned and Reproofed FREE OF CHARGE.

Military Catalogue sent on request.
