The Social Policy Digest is designed as a key resource for all those working in UK social policy - policy-makers, researchers, teachers and students, campaigners, journalists, and practitioners. It provides an easily accessible listing of new developments across the whole social policy field.

The Digest is a companion to two journals - the Journal of Social Policy and Social Policy and Society - both of which are published on behalf of the Social Policy Association by Cambridge University Press.
International Psychogeriatrics

Canadian Journal on Aging / La Revue canadienne du vieillissement

Published on behalf of the Canadian Association on Gerontology / L'Association canadienne de gériatricie

Editor-in-Chief
Margaret J. Penning, University of Victoria, Canada

This journal disseminates the latest work of researchers in the social and biological sciences who study the older population of Canada and other countries; informs policy debates relevant to aging; seeks to improve the quality of life for Canada’s older population and for older populations in other parts of the world through the publication of research that focuses on the broad range of relevant issues; and encourages the exchange of the latest ideas in gerontological research.
