### ROYAL AERONAUTICAL SOCIETY

#### SITUATIONS VACANT AND WANTED

From time to time paid advertisements for posts in the Industry and in official establishments have been published in the "Secretary's News Letter" (formerly "Monthly Notices") of the Society, which accompanies the JOURNAL each month. In order to avoid any misunderstanding it has been decided that instead this page of the JOURNAL should be used for advertisements of situations vacant in the Industry, the Ministries, Universities and Colleges, and for situations wanted.

To begin with the charge for such advertisements will be  $\pounds 5$  0s. 0d. for each insertion up to 2 in. in depth.

#### ADMIRALTY

Vacancies exist in the Aircraft Maintenance and Repair Department, Admiralty, London, for:---

(i) Temporary Technical Class Grade III Officers, and

(ii) Temporary Draughtsmen.

Candidates for both grades must be British subjects of 21 years of age and upwards and have served an apprenticeship, or had aeronautical engineering training, followed by practical experience in the repair and maintenance of aircraft (airframes, aero-engines or electrical equipment). In addition, Drawing Office experience will be required of candidates for the Draughtsmen vacancies.

Experience in the R.A.F. technical branches or in the A/E branch of the Royal Navy would be valuable for the posts at (i) above.

Salaries applicable to both of above mentioned grades range up to a maximum of  $\pounds 575$  per annum and will be assessed according to age, qualifications and experience.

Applications, giving age and details of technical qualifications, apprenticeship (or equivalents) Workshop and Drawing Office experience, should be sent to Admiralty (C.E.II Room 88), Empire Hotel, Bath, quoting "AMRD." Candidates required for interview will be advised within two weeks of receipt of application.

The Journal is published monthly at the Offices of the Society, 4 Hamilton Place, Piccadilly, London, W.1. None of the papers or paragraphs must be taken as expressing the opinion of the Council of The Royal Aeronautical Society unless such is definitely stated to be the case. Subscriptions per annum, £6 3s. 0d., including postage: Single Numbers, 10s., or 10s. 3d, post free. All communications for publication or Advertisements in the Journal should be addressed to The Editor, and on general matters affecting the Society to The Secretary, 4 Hamilton Place, W.1. The Society's Bankers are Messrs. Coutts & Co.

Telephone: Grosvenor 3515 (5 lines). Telegraphic Address: Didaskalos, Audley, London.
