Quasilinear modelling of supersonic turbulent channel flow using incompressible flow data – ERRATUM

Zecheng Zou , Alessandro Ceci , Yuxin Jiao , Sergio Pirozzoli  and Yongyun Hwang 

DOI: <https://doi.org/10.1017/jfm.2026.11696>. Published online by Cambridge University Press, 19 June 2026.

The publisher apologises that on publication of this article the author Alessandro Ceci's was incorrectly spelled as Alessendro Ceci.

The original article has been updated.
