FROM THE SIMPLE TO THE COMPLEX

New 2nd Edition!

MEDICAL PARASITOLOGY

Concise yet complete, this unique book presents medical parasitology with an emphasis on the identification, diagnosis, and treatment of parasites common to man. Three sections cover medical protozoology, helminthology and arthropodology. As groups of organisms are systematically discussed from the simple to the complex, the authors stress life cycle and structure, clinical symptoms and pathology of the organism, specific methods of diagnosis and treatment and laboratory diagnosis. Thoroughly revised and expanded, the book describes (step-by-step) pertinent laboratory skills and techniques. Superb artwork and new, actual photographs of organisms are included.

INSTRUCTORS NOTE: To receive a complimentary copy to evaluate firsthand for possible class adoption, simply write to the Textbook Department. Please be specific as to your course and the applicability of the requested text therein. (Offer good only in U.S. and Canada.)
PARASITOLOGY

Subscriptions may be sent to any bookseller or subscription agent or direct to Cambridge University Press, P.O. Box 92, London NW1 2DB. Subscriptions in the U.S.A. and Canada should be sent to Cambridge University Press, 32 East 57th Street, New York, N.Y. 10022. The subscription price of volumes 72 and 73, 1976, is £16.50 net (including postage) for a volume of three parts (US $46.00 in the U.S.A. and Canada), payable in advance (£33.00 or US $92.00 per year); separate parts cost £7.50 net or US $21.00 each (plus postage).

Back Volumes. Vols. 1–39: Inquiries should be addressed to Wm Dawson & Sons Ltd, Cannon House, Folkestone, Kent. Vols. 40 onwards: Quotations for parts still in print may be obtained from the London or New York offices of the Cambridge University Press.

For permission to reproduce material from Parasitology, please apply to the London or New York office of Cambridge University Press.

ISI Tear Service, 325 Chestnut Street, Philadelphia, Pennsylvania 19106, U.S.A. is authorized to supply single copies of separate articles for private use only.

Claims for missing issues can only be considered if made immediately after receipt of the subsequent issue.

Advertising. Details of advertising in Parasitology may be obtained from the publisher.

The previous part was published on 19 December 1975
