Author enquiries

For enquiries relating to the submission of articles (including electronic submission where available) please visit Elsevier's Author Gateway at <http://authors.elsevier.com>. The Author Gateway also provides the facility to track accepted articles and set up e-mail alerts to inform you of when an article's status has changed, as well as detailed artwork guidelines, copyright information, frequently asked questions and more. Contact details for questions arising after acceptance of an article, especially those relating to proofs, are provided after registration of an article for publication.

Subscription conditions, instructions to authors, the contents of each issue as well as the abstracts of the articles published in *European Psychiatry* are available on the website of Elsevier France: www.em-consulte.com

You can get a free electronic subscription by becoming a member of the European Psychiatric Association (100 € fee). More information on the registration process can be found at: <http://www.europsy.net>
