50 BEDFORD SQUARE, LONDON, W.C.I.

PRESIDENT: SIR RICHARD LIVINGSTONE, D.LITT., LL.D.

THE Society, founded in 1879 to advance the study of Greek language, literature, history and art, maintains conjointly with the Society for the Promotion of Roman Studies

1. A Library of some 16,000 volumes, containing many costly works and rare periodicals.
2. Large collections of classified photographs for reference and research.
3. Some 12,500 lantern slides covering the whole domain of ancient life and art. Besides the general collection, there are sets of slides with lecture texts.

Both books and slides can be sent to Members by post.

By arrangement with the Society of Antiquaries the quarterly general meetings are held in that Society's rooms at Burlington House, Piccadilly, W.1.

The Journal of Hellenic Studies, recognised at home and abroad as the leading British organ of Greek archaeology, contains articles by first authorities, numerous illustrations and reviews of recent books of importance to classical studies and is published in half-yearly parts which members receive free of charge, the price to the public being two guineas per volume.

The Annual Subscription to the Society is one guinea, with an Entrance Fee of one guinea. The Composition fee for life-membership is ten guineas for persons over fifty years of age and fifteen guineas for others. The subscription for Libraries and Student Associates is one guinea and half-a-guinea respectively, without entrance fee.

Applications for membership or enquiries about the Society should be addressed to the Secretary at the above address.

The Classical Association.

THE objects of the Classical Association are to promote the development and maintain the well-being of classical studies, and in particular (a) to impress upon public opinion the claim of such studies to an eminent place in the national scheme of education; (b) to improve the practice of classical teaching; (c) to encourage investigation and call attention to new discoveries; (d) to create opportunities for intercourse among lovers of classical learning.

Membership of the Association is open to men and women alike. The annual subscription is 5s. (life composition, £3 15s.). Members receive a copy of the annual *Proceedings* of the Association and, on a payment of 2s. 6d., of *The Year's Work in Classical Studies* (both post free). They may also obtain the *Classical Review* and *Classical Quarterly* at reduced prices (*Review* 10s., *Quarterly* 13s.; combined subscription £1 1s.), though the reduction cannot be guaranteed unless the subscription is paid before January 31st in each year. *Greece and Rome* may be obtained for an annual subscription of 7s. 6d.
