Not all musical tragedies happen on stage.

As I Pagliacci unfolds, the real tragedy can be happening elsewhere. In the orchestra pit, a musician who has given his life to music realises that a passage he once knew backwards is now beyond him.

He faces old age and with it loss of income. But your donation to the Musicians Benevolent Fund could lessen the tragedy.

We’ve been helping needy musicians and their families for 70 years. A donation or legacy from you could help to change their lives.

Please send a donation, large or small, to:
