June 18-21, 1986
The Antlers in Colorado Springs, Colorado

Members and friends of the Western Finance Association are invited to submit papers to be considered for presentation at the 1985 Annual Meetings. Papers on any topic related to financial economics will be considered.

Submission of Papers

Send four copies of the paper to the program chairman no later than November 25, 1985. While we prefer a completed paper, in its absence we will consider a lengthy and detailed abstract. Please attach a separate sheet indicating the author's name(s), affiliation(s), the title of the paper, and whether you would be willing to serve as a discussant or as a session chairman. All completed papers received will be considered for publication in the December issue of the Journal of Financial and Quantitative Analysis.

Other Participants

Individuals willing to serve as session chairmen or as discussants should write directly to the program chairman indicating their fields of interest.

This award consists of $500 and possible publication in the Journal of Financial and Quantitative Analysis. These papers should also be sent to the program chairman, with a cover letter indicating that they are student papers and should be considered for the Trefftzs Award.
