International Human Rights LLM Fellowship

Founded in 1979, the Urban Morgan Institute for Human Rights is the first endowed institute devoted to international human rights law at a U.S. law school. LLM students at the University of Cincinnati College of Law have the opportunity to focus their studies on their own areas of interest, such as human rights law, while gaining a substantive introduction to the U.S. legal system.

“My work with the Urban Morgan Institute has been a highlight of my LLM experience at Cincinnati Law.”

“If you say, ‘I worked on the Human Rights Quarterly,’ everyone knows what that is.”

The best decision I’ve made for my career was completing my LLM at Pepperdine. Not only does it have an excellent program that provides unparalleled exposure to the theory and practice of international dispute resolution, its faculty and staff are among the finest in the field. An LLM at Straus gives you all the tools you need to successfully begin or enhance your practice in dispute resolution.
