The AMERICAN JOURNAL OF LAW & MEDICINE is published in the Spring, Summer & Fall, and Winter by the American Society of Law, Medicine & Ethics (ASLME) and the Boston University School of Law. All decisions concerning the content of the JOURNAL are made by a joint ASLME/Boston University School of Law editorial policy committee. Statements of fact and opinion are the sole responsibility of the authors, and are not necessarily endorsed by the editors, ASLME, or the law school.

The editors invite the submission of manuscripts on medicolegal topics. For details, see the inside back cover. Editorial communications, including original manuscripts, should be addressed to Editor-in-Chief, AMERICAN JOURNAL OF LAW & MEDICINE, 765 Commonwealth Avenue, Suite 1672, Boston, MA 02215. Telephone: (617) 353-2912.

Address subscription or membership correspondence to the Membership Director, ASLME, 765 Commonwealth Avenue, Suite 1634, Boston, MA 02215. Business telephone: (617) 262-4990. Requests for permission to reproduce JOURNAL material should be addressed to the Director of Publications, at the preceding address.

Subscription rates are $170.00 per year for institutions; and $90.00 per year for individuals (payment for individual subscriptions must be on a personal check) who are not members of ASLME. Foreign subscribers remit an additional $30.00 per year for foreign postage. Members of ASLME receive the JOURNAL as part of their annual dues (please see details in the back matter).

Missing copies of the JOURNAL will be sent free of charge to subscribers or members of ASLME provided that notice of such a claim is received at ASLME’s subscription office within one month of receipt of the next issue published. Requests made after this period will be billed at the regular single-issue price of $25.00 (members) and $35.00 (nonmembers) and the regular double-issue price of $40.00 (members) and $50.00 (nonmembers).

Articles published in the JOURNAL are indexed in LEXIS, WESTLAW, Index to Legal Periodicals, Legal Contents, Index Medicus, Social Sciences Citation Index, Current Contents: Social and Behavioral Sciences, and Biosciences Information Service of Biological Abstracts.
