## **DAVID SHEPHERD PAINTING FOR FPS**

**David Shepherd has presented to the FPS a new painting "Elephants in Thorn Scrub", to be used for the Society's 1965 Christmas card and later sold for the benefit of our funds. The picture will be on show at a special meeting of the Society, to which all members are invited, in London on Tuesday, October 19, in the new meeting room of the Zoological Society in Regent's Park at 5.30 p.m. The Society is most grateful to David Shepherd for his very generous gift, and we hope that many members will be able to come to the meeting to show their appreciation. David Shepherd himself will be at the meeting, and he will also introduce two new colour films: "Return to the Wild", about lions, based on Norman Carr's book, and "Bring Forth Every Living Thing", about Operation Noah at Kariba. In November the picture will be in the exhibition of David Shepherd's paintings at the Tryon Gallery in London.**
