A close-up photograph of several white eggs on a light-colored surface. One egg in the center is painted a bright, metallic gold color, making it stand out significantly from the others. The lighting is soft, creating gentle shadows and highlights on the smooth surfaces of the eggs.

# **A GOLDEN** *OPPORTUNITY...*

# ...TO GO BEYOND e-PRESCRIBING.

**REGISTER NOW!**

## ***EXCLUSIVE OFFER:*** **E-PRESCRIBING PLUS PRACTICE-BASED MEDICATION EFFECTIVENESS TRACKING**

Go beyond the current benefits of e-prescribing to enhance your practice with in-depth medication effectiveness knowledge. Prescribers of psychiatric medications are cordially invited to join the powerful Akario CNS Medication Monitoring Network™ today.

### **Benefits of Akario membership:**

- **COMPLIMENTARY** annual license to DrFirst's award-winning SureScripts GoldRx Certified Rcopia™ (visit [www.drfirst.com](http://www.drfirst.com) for more information) electronic prescription management system
- Plus, **ADVANCED** prescriber-based medication effectiveness reporting features available only to this exclusive network of healthcare professionals
- On-demand, patient-specific drug efficacy and tolerability reports that will enable you to evaluate and track medication effectiveness for all of your patients
- De-identified Akario network reports that allow you to compare treatment effectiveness with your patients versus that of the entire prescriber network
- In-depth data on how CNS drugs are being used in clinical practice
- Obtain real-time clinical decision support tools to avoid drug/drug interactions, drug allergies, and adverse events
- Help your patients save \$\$\$ with formulary compliance features
- Streamline your office workflow and increase productivity by:
  - Avoiding pharmacy callbacks for renewal requests
  - Renewing multiple patients' medications with one click
- Access patient medication history across healthcare providers

To see if you qualify to participate in the network and learn more about joining this groundbreaking initiative, contact us at [info@akario.com](mailto:info@akario.com) or call **1-212-328-0800 x211**

Free offer is only available to prescribing psychiatric and mental health practitioners with high speed Internet access (cable, DSL, or T1). Akario reserves the right to cancel memberships if the provider/member is not an active network participant.
