**NOTES ON STYLE FOR CONTRIBUTORS**

The editors ask authors to observe the following notes on style in preparing their submissions. A full style guide is available on request from jal@soas.ac.uk.

**General**

Articles should be no longer than 12,000 words (including footnotes). Please also provide an abstract of no more than 150 words at the beginning of the article. Use footnotes, rather than endnotes.

**Spelling**

Use British English, but with the “ize”, not “ise”, suffix.

**Capitalization**

Please use lower case for titles and generic terms such as government, director, minister, common law. The titles of treaties, acts, agreements, declarations, resolutions, conventions, etc should be capitalized and not italicized.

**Foreign words and phrases**

Truly foreign words and phrases (except proper nouns) should be italicized and followed by a translation in square brackets. Please do not italicize words, phrases and abbreviations generally accepted in the English language.

**Abbreviations**

Do not use full stops for abbreviations or for initials within names. Article, chapter, section, ordinance, proclamation, paragraph, etc should be in full and in lower case in the text, but abbreviated in footnotes to art, chap, sec, ord, proc, para etc. Abbreviated forms used in the text must be in full in the first instance, followed by the abbreviated form/acronym in brackets. Per cent (%) to be written in full in the text; use % in footnotes.

**Punctuation**

Punctuation should be “outside” quotation marks (unless the punctuation is clearly part of the quotation) and footnote cues should come after punctuation. Use “smart” double quotation marks, followed by single quotation marks within a quotation. Quotations more than five lines long in the text should be indented.

**Numerals and dates**

Numbers and ordinals from one to ten inclusive should be spelled out; after that use digits. However, always use digits for footnotes, percentages and references to sections or pages of a document.
