

## AEP Research Prizes 2005

The Association of European Psychiatrists (AEP) announces three research prizes, of € 2,500 each, to be awarded to young psychiatrists working in Europe, who have published the best scientific papers in the year 2004 in the following areas:

- 1) Clinical psychopathology and refinement of psychiatric diagnostic categories.
- 2) Biological correlates and treatments of mental disorders.
- 3) Psychiatric epidemiology, social psychiatry and psychotherapeutic interventions in mental disorders.

Each candidate will have to fulfill the following criteria:

- 1) Working as a psychiatrist or being a resident in psychiatry in a European country.
- 2) Being less than 40 years of age (as of December 31, 2004).
- 3) Being the first author of a scientific paper published in the year 2004 in a journal indexed in Current Contents, whose topic falls within one of the above-mentioned areas.

Applications should document fulfillment of the above criteria and should be accompanied by 10 copies of the paper. They should be received no later than January 31, 2005 by the President of the Association, Prof. Mario Maj, at the following address: Clinica Psichiatrica, Primo Policlinico Universitario, Largo Madonna delle Grazie, 80138 Napoli (Italy).

The prizes will be awarded during the 13<sup>th</sup> AEP Congress, to be held in Munich from April 2–6, 2005. For further information, please visit the AEP web site.
