AUSTRALIAN
BEHAVIOUR MODIFICATION
ASSOCIATION

AIMS
The Australian Behaviour Modification Association (ABMA) is a multidisciplinary professional society. The aims of the Association are:

1 To organise continuing education and training in the principles and practice of behaviour modification;
2 To publish and disseminate information to members about developments in behaviour modification in Australia and other countries;
3 To educate the community in the principles and ethical practice of behaviour modification;
4 To liaise and consult with other persons or organisations in the teaching and practice of behaviour modification;
5 To promote the ethical practice of behaviour modification by members;
6 To organise or assist in the organisation of an annual National Conference on Behaviour Modification.
