A path to the bilingual advantage: pairwise matching of individuals– CORRIGENDUM

Sophia Czapka, Christiane Wotschack, Annegret Klassert and Julia Festman

https://doi.org/10.1017/S1366728919000166, Published by Cambridge University Press,

When originally published, the article by Czapka et al, included the wrong caption for Fig 1. The publication indicates that Fig 1 shows data for heterogeneous groups when in fact it shows data for homogenous groups.

The correct figure and caption are shown below

**Fig. 1.** Mean response latencies (with error bars indicating standard errors) of the A) go/nogo task, B) BST and C) N-back for the homogenous groups (monolinguals - dark bars and multilinguals - light bars).
