# Cambridge Opera Journal

## Editors

Suzanne Aspden, *University of Oxford, UK*

Steven Huebner, *McGill University, Canada*

For over twenty years the *Cambridge Opera Journal* has been the pre-eminent forum for scholarship on opera in all its manifestations. The *Journal* publishes essays not only on all aspects of the European operatic tradition, but also on American opera and musical theatre, on non-Western music theatres, on contemporary opera production, and on the theory and historiography of opera. Carefully researched and often illustrated with music examples and pictures, articles adopt a wide spectrum of critical approaches. As well as major articles, each issue includes reviews of recent important publications in the field.
