## ABSTRACTS FROM THE AMERICAN CONFERENCE OF GOVERNMENTAL INDUSTRIAL HYGIENISTS

532

Continued inside.

**Time:** 3:35 p.m.  
**Place:** Decontam.  
**Situation:** Heavy schedule. It feels like 100 degrees over that sink. And here comes another total hip case cart.

**Solution: Who says you have to sacrifice comfort for protection? Introducing the KIMBERLY-CLARK® Impervious Comfort Gown.**

- ❶ The outside is quilted film for outstanding protection. The inside is soft fabric for comfort. The design is open-back with either thumb hooks or knit cuffs.
- ❷ In use tests, staff found KIMBERLY-CLARK® Impervious Comfort Gowns to be cool and light. In fact, they'd even wear them when it wasn't necessary.
- ❸ These gowns are a good choice if you want to standardize on one gown that will provide maximum protection with comfort in ICU, decontam, endoscopy and E.R.
- ❹ While we're on the subject, Kimberly-Clark has a complete family of gown options designed to help you reach your desired outcome at the lowest cost-per-use.
- ❺ Ask your Kimberly-Clark rep or call 1-800-KC-HELPS to receive a brochure on many of the infection control products available from Kimberly-Clark.
