Received 12 July 2005

Available online 18 August 2005

---

On page 126, please disregard lines 11–14 of column 1. A corrected Table 1 was included prior to publication and the <sup>14</sup>C ages were corrected for the ~50-yr offset relative to OSL ages. Therefore, the OSL and <sup>14</sup>C ages can be directly compared.
