Women in the Ministry of Jesus
A Study of Jesus' Attitudes to Women and their Roles as Reflected in His Earthly Life
BEN WITHERINGTON
A discussion of women in the teaching and life of Jesus, his relationships with his mother, with Mary and Martha, and with the women who became his disciples; and his support for woman's rights to have religious training and to be a disciple.

The Apocalypse and Semitic Syntax
STEVEN THOMPSON
A consistent explanation of the peculiarity of the language of the Apocalypse, suggesting a new approach that gives greater attention to the influence of Old Testament Hebrew/Aramaic grammar.
'The book opens up possibilities for fresh exegetical understanding, and his implications for other parts of the NT. Dr Thompson's style is clear and concise; his conclusions are sensible.'

The Concept of Purity at Qumran and in the Letters of Paul
MICHAEL NEWTON
This examination of the Dead Sea Scrolls and the letters of Paul finds that religious self-understanding is expressed in terms of the concept of purity so important to primitive religion and earlier Judaism. Dr Newton contradicts the view held by most scholars that the traditional Jewish attitude to purity had no place in Christianity.

The Old Testament Pseudepigrapha and the New Testament
Prolegomena for the Study of Christian Origins
JAMES HAMILTON CHARLESWORTH
In this book the author presents his reflection on the importance of the recently published Old Testament Pseudepigrapha for a much-needed clarification of the history and thought of those centuries and the emergence of both synagogal Judaism and Christianity. Discussing the Pseudepigrapha in the light of the canon of scripture, he assesses their significance for biblical studies, and makes a comparison with the Dead Sea Scrolls and the Nag Hammadi Codices.

CONTRIBUTIONS
Contributions, which may be in English, French or German, should be submitted in typescript (two copies) to Professor G. N. STANTON, King's College, Strand, London WC2R 2LS. Contributors are asked to follow the “Instructions for Contributors”, NTS 31 (1985) 157–159. Each contributor will receive a copy of the number and 25 off-prints of his article free of charge. Authors will be responsible for all alterations to proofs which exceed 20% of the cost of composition.

MONOGRAPH SERIES
In view of the increasing number of typescripts which are being received for possible publication, those who wish to submit work are asked not to do so without first consulting the Editor who will be glad to advise about format, length and possible date of publication if the work can be accepted.
