B Ext. Krameriae ... gr. 1 [0.065 gm.]  
 Cocainæ Hydrochlor. gr. 1/20 [0.0032 gm.]

**RAMERIA****AND COCAINE***Boxes of 30, 5d. per box.**Bottles of 100, 1s. per bottle.*

“ Possesses marked advantages over gargles, in that it is portable. . . . Its effect is not transitory, because, as it slowly dissolves, it bathes the affected parts with a concentrated solution, the therapeutic effect of which is quickly evident. In pleasantness and palatability it is in no way inferior to lozenges and similar preparations, which are not so effective.”
