Differential subsidence in the urbanised coastal-deltaic plain of the Netherlands
Kay Koster, Jan Stafleu & Esther Stouthamer 215

A bioclast-based astronomical timescale for the Maastrichtian in the type area
(southeast Netherlands, northeast Belgium) and stratigraphic implications:
the legacy of P.J. Felder
Norbert Keutgen 229

Glacial geology of Saalian relief around Midwolda, eastern Groningen, the Netherlands
Sjoerd J. Kluiving, Gerard Aalbersberg, Ronald T. van Balen & Cornelis Kasse 261

Differential subsidence in the urbanised coastal-deltaic plain of the Netherlands – CORRIGENDUM
Kay Koster, Jan Stafleu & Esther Stouthamer 283
Netherlands Journal of Geosciences — Geologie en Mijnbouw

Netherlands Journal of Geosciences — Geologie en Mijnbouw (ISSN 0016-7746) is an international journal published by the Netherlands Journal of Geosciences Foundation on behalf of the Royal Geological and Mining Society of the Netherlands (KNGMG) and TNO — Geological Survey of the Netherlands. It is the continuation of Geologie en Mijnbouw (published by KNGMG) and Mededelingen Nederlands Instituut voor Toegepaste Geowetenschappen TNO (published by TNO).

The board of the Netherlands Journal of Geosciences Foundation consists of: Henno Abels (chairman, KNGMG), Hans Doomenhal (treasurer/secretary, TNO), Bosir Jansen (member, KNGMG) and Jeroen Schokker (member, TNO).

Scope
Netherlands Journal of Geosciences — Geologie en Mijnbouw seeks to be the prime outlet for publication of geoscientific papers pertaining to the Netherlands, including its overseas counties and territories, the Dutch sector of the North Sea and relevant adjacent areas. Manuscripts on any geoscientific topic will be considered for publication, provided they comply with the regional focus of the journal and are of international interest and quality.

Submission of manuscripts
Authors who wish to submit an article to Netherlands Journal of Geosciences should submit their manuscript via the website: http://mc.manuscriptcentral.com/njg. First-time users need to register by following the link ‘New User? Register here’. After registering, authors can submit their manuscript via the Author Centre.

Manuscripts should be prepared in accordance with the ‘Instructions to Contributors’ which can be found on the journal’s website (http://journals.cambridge.org/NJG). Authors are responsible for obtaining clearance for publication from relevant third parties including, if appropriate, permission to include copyrighted material.

Subscription and distribution
Netherlands Journal of Geosciences — Geologie en Mijnbouw is published quarterly in March, June, September and December, sometimes two quarterly issues could be combined to one “special” or “double” issue. It is distributed to members of the Royal Geological and Mining Society of the Netherlands (KNGMG), the Royal Geographical Society of the Netherlands (KNGU), the Geological Society of the Netherlands (NGW) and TNO — Geological Survey of the Netherlands (TNO). The best price, however, is that of Volume 77 (1999), which includes electronic access to the whole volume, and the annual subscription price of volume 97 (2018) (which includes electronic access and postage) is £360 (USA, Canada and Mexico US$583). The electronic-only price available to institutional subscribers is £322 (USA, Canada and Mexico US$523).

Orders, which must be accompanied by payment, relating to the 2018 subscription year may be sent to any bookseller, subscription agent or direct to the publisher: Cambridge University Press, University Printing House, Shaftesbury Road, Cambridge CB2 8BS; or in the USA, Canada and Mexico: Cambridge University Press, Journals Fulfilment Department, 1 Liberty Plaza, Floor 10, New York, NY 10006, USA.

EU subscribers (outside the UK) who are not registered for VAT should add VAT at their own rate. VAT registered subscribers should provide their VAT registration number. Japanese prices for institutions are available from Kinokuniya Company Ltd, P.O. Box 1098 SM Amsterdam, the Netherlands & TNO – Geological Survey of the Netherlands, P.O. Box 80015, 3508 TA Utrecht, the Netherlands

Editor
J.H. Tee Veen, TNO — Geological Survey of the Netherlands, P.O. Box 80015, 3508 TA Utrecht, the Netherlands

Associate Editors
R.T. van Balen, Earth and Climate Cluster, Department of Earth Sciences, VU University Amsterdam, De Boelelaan 1081, 1081 HV Amsterdam, the Netherlands & TNO — Geological Survey of the Netherlands, P.O. Box 80015, 3508 TA Utrecht, the Netherlands
