THE CLASSICAL ASSOCIATION

The Classical Association (based in the UK) has a worldwide membership and is open to all who value the study of the history, civilizations, languages, art, material culture and legacy of ancient Greece and Rome and the broader ancient Mediterranean. It creates opportunities for friendly exchange and cooperation among classicists, encourages scholarship through its journals and other publications, and supports classics in schools and universities. Every year it holds an annual conference, and it sponsors branches all over the country which put on programmes of lectures and other activities.

Classical Association members receive two issues of *Omnibus* magazine and the *Presidential Address* each year. They may also subscribe at substantially reduced cost to the Classical Association journals, *The Classical Quarterly*, *The Classical Review* and *Greece & Rome*. The *Journal of Classics Teaching* is freely available online.

For more information about membership please see the Classical Association's website: <https://classicalassociation.org/> or contact the Secretary, The Classical Association, Cardinal Point, Park Road, Rickmansworth, WD3 1RE, UK tel. +44 (0)7926 632598, e-mail: office@classicalassociation.org.
