Special Issue – Ecologising Education: Storying, Philosophising and Disrupting

ISSN 0814–0626
The Australian Journal of Environmental Education is an international refereed journal that publishes papers and reports on all aspects of environmental education. It is the journal of the Australian Association for Environmental Education. It is produced in order to present information and argument that will stimulate debate about educational strategies that enhance the kinds of awareness, understanding and actions that promote environmental and social justice. The journal is addressed to educators working in any educational setting where these matters are centrally or peripherally considered.

SUBSCRIPTION RATES 2018
This journal is published triannually.

The institutional rates (excluding VAT) are:

- Print and online: Australia 353 AUD, N America 269 USD, UK and ROW 170 GBP
- Electronic Only: Australia 331 AUD, N America 255 USD, UK and ROW 159 GBP

EU subscribers (outside the UK) who are not registered for VAT should add VAT at their country's rate. VAT registered subscribers should provide their VAT registration number.
