RETRACTION

The same book review was erroneously published twice, once in Medical History, vol. 56, issue 4, pp. 600–601 and again in Medical History, vol. 57, issue 1, pp. 142–144. Subsequently it is necessary to retract the second appearance of the review in favour of the first for there to be a single version of record. The Press and the Editors apologise to the author and readers for this mistake.
