CORRIGENDUM

Sean Foley

doi: 10.1017/S0020743818000612, published by Cambridge University Press, 5 September 2018

In the initial publication of this book review, the publisher information was printed incorrectly for Christopher R.W. Dietrich’s Oil Revolution: Anticolonial Elites, Sovereign Rights, and the Economic Culture of Decolonization, Global and International History Series. The correct publisher is Cambridge University Press. The original article has been corrected to reflect this change.

The publisher apologizes for this error.
