GASCOIGNES

READING ENGLAND

*Manufacturers of Milking Machines
 to Leading Milk Producers
 Throughout the World*

We make different machines to suit different world conditions. Our machines have pioneered in practically every country to suit local farming peculiarities. No finer equipment is produced anywhere and you

can safely entrust us with your problem. When visiting England, we shall be pleased to welcome you at Gascoigne House, where we can show you something of the care and attention devoted to our products.
