The Journal of Financial and Quantitative Analysis is published by the Graduate School of Business Administration, University of Washington, Seattle, Washington 98195, in conjunction with the Western Finance Association. Regular issues are published in March, June, September, and December, and a Proceedings Issue is published in November. Second-class postage is paid at Seattle, Washington.

The Proceedings Issue contains selected papers, abstracts of papers, discussants’ comments, and the proceedings of the Western Finance Association meetings. From time to time a special issue, devoted to one topic of interest to the readership, is published.

The views and opinions expressed are those of the authors and do not necessarily reflect those of the Graduate School of Business Administration of the University of Washington nor of the Western Finance Association.

For individuals, the annual subscription rate to the JFQA is $12.50 (three-year rate, $33); for firms or libraries, the annual rate is $20.00 (three-year rate, $55). Annual subscription rates for individuals and libraries outside the United States (except Canada) are $13.50 for individuals (three-year rate, $36), and $21 for libraries and firms (three-year rate, $58). Single copies are $4.00, except for special issues, the price of which is $4.50. The fiscal year of the Journal of Financial and Quantitative Analysis begins on January 1.

Manuscripts and $10 submission fee (per manuscript) as well as editorial correspondence should be sent to the Managing Editor. Correspondence relating to advertising, subscriptions, and billing should be addressed: Subscription Manager, JFQA, University of Washington, DJ-10, Seattle, Washington 98195.

Correspondence pertaining to the Western Finance Association should be sent to Professor Thomas E. Stitzel, Secretary-Treasurer, School of Business Administration, Boise State University, 1910 College Blvd., Boise, Idaho 83725.
