

EMPLOYMENT OPPORTUNITIES

INFECTION CONTROL EPIDEMIOLOGIST

The Johns Hopkins Hospital has an opportunity for an individual to join our Infection Control Dept. This employee has a major responsibility in implementing the infection control program of the Institution, utilizing an advanced knowledge of epidemiology, infectious diseases and their transmission, and specific principles of infection control and prevention. Requires Bachelors degree in nursing, microbiology, or related field; minimum of one year clinical or epidemiological research experience and currently active for at least two years in infection control in a hospital setting. Interested applicants should call Troy Green at (301)955-3619 or forward resume to his attention to The Johns Hopkins Hospital, 1830 E. Monument St., Rm. 241, Baltimore, MD 21205. EOE/AA. A Johns Hopkins Health System Member Institution.
