

THE PALEONTOLOGICAL SOCIETY: Membership Application, 2010
(please type or print)

Name _____ Date of birth: _____ Month _____ Day _____ Year _____
Address _____
City, State, Zip code, Country _____
Telephone _____ Fax _____ e-mail _____
Signature _____ Date _____
Title: Mr _____ Ms _____ Miss _____ Mrs _____ Dr _____ Other _____
Highest level of education completed: High School ___ Bachelor's degree ___ Master's ___ PhD ___ Other _____
Check employment: College/University _____ Government _____ Industry _____ Other (list) _____
Check principal responsibility: _____ student _____ teaching _____ administration _____ research _____
technical services _____ consulting _____ other (list) _____
Faculty sponsor sign here for student membership _____
Check membership in other societies: AAP _____ AAPG _____ AASP _____ CAP _____ CFFR _____ IPA _____
NAMS _____ PA _____ PBS(BSA) _____ PD(GAC) _____ PRI _____ SEPM _____ SVP _____
Write in fields of interest: taxonomic _____
stratigraphic _____ geographic _____
other _____

Please check type of membership and paper subscriptions desired:

Regular (including on-line subscriptions to *Journal of Paleontology and Paleobiology*) [] \$50.00
Retired (including on-line subscriptions to *Journal of Paleontology and Paleobiology*) [] \$45.00
(The PS Secretary is required to certify eligibility for "retired" status)
Student (including on-line subscriptions to *Journal of Paleontology and Paleobiology*) [] \$30.00
Spouse (including on-line subscriptions to *Journal of Paleontology and Paleobiology*) [] \$25.00
(one spouse must be a regular, retired, or student member)
Emeritus (does not receive journals, apply to PS Secretary) [] No cost

Journal of Paleontology paper subscription, in addition to **regular** membership fee [] \$75.00
Journal of Paleontology paper subscription, in addition to **retired** membership fee [] \$65.00
Journal of Paleontology paper subscription, in addition to **student** membership fee [] \$30.00
Paleobiology paper subscription, in addition to **regular** membership fee [] \$35.00
Paleobiology paper subscription, in addition to **student** membership fee [] \$25.00

I enclose a check payable to THE PALEONTOLOGICAL SOCIETY (US\$, drawn on a US bank) Total \$ _____
Amount to charge to my ___ VISA, ___ Mastercard, number _____ Total \$ _____
Name as on card _____ Expiration date ___/___ Signature _____

Return form with check, credit card information or International Postal Money Order to:

The Paleontological Society, PO Box 7065, Lawrence, KS 66044-7065, U.S.A.

Telephone: (785) 843-1234, ext. 297 Fax: (785) 843-1274 e-mail: paleosoc@allenpress.com

Please make check, money order, or credit card payment for the **TOTAL AMOUNT DUE**, payable to **THE PALEONTOLOGICAL SOCIETY**. Return the form above, completed as appropriate, with payment. Individuals outside the United States must pay in US funds by credit card, by check drawn on a US bank, or by International Money Order. Memberships and subscriptions are non-transferable.

You will be enrolled as a member of the Paleontological Society and you will receive its two journals on-line, as well as print subscriptions you have elected to the *Journal of Paleontology* and *Paleobiology*, for the entire 2010 calendar year, regardless of the month in which your application is submitted.

Please be sure to provide your **current e-mail address** on the application. The journals can be accessed at <http://www.psjournals.org>. Please allow 30 days for processing of your order and activation of your password, which will be sent to you by email.

The **Paleontological Society** and the **Palaeontological Association** have a reciprocal agreement under which members of one organization can purchase certain publications of the other organization at members' prices. **Members of the Palaeontological Association can subscribe to *Paleobiology* at the members' rate.** To do so, they should provide the personal details called for on the membership application form, above, check PA membership, and enclose payment for *Paleobiology* at the members' rate. **Members of the Paleontological Society can obtain Palaeontological Association publications at their members' rates** through the association's website, at <http://www.palass.org> or by e-mail from Dr. Tim Palmer at Palass@palass.org

**2010 Institutional subscription rates are: *Journal of Paleontology* — \$330.00, *Paleobiology* — \$200.00
Back issues: \$12.00 for members, \$30.00 for nonmembers. Price includes postage and handling.**

To set up an institutional subscription to one or both Paleontological Society journals, please contact Mr. Russell Wright, Association Manager, at paleosoc@allenpress.com or rwright@allenpress.com

JOURNAL OF PALEONTOLOGY

VOLUME 84 ■ NUMBER 3 ■ MAY 2010 ■ ISSN 0022-3360

363 Vladimir N. Sergeev and J. William Schopf

Taxonomy, paleoecology and biostratigraphy of the late Neoproterozoic Chichkan microbiota of South Kazakhstan: the marine biosphere on the eve of metazoan radiation

402 J. William Schopf, Anatoliy B. Kudryavtsev, and Vladimir N. Sergeev

Confocal laser scanning microscopy and Raman imagery of the late Neoproterozoic Chichkan microbiota of South Kazakhstan

417 Sangmin Lee, Duck K. Choi, and G. R. Shi

Pennsylvanian brachiopods from the Geumcheon-Jangseong Formation, Pyeongan Supergroup, Taebaeksan Basin, Korea

444 Robert W. Scott, Xiaqiao Wan, Jingeng Sha, and Shi-Xuan Wen

Rudists of Tibet and the Tarim Basin, China: Significance to Requieniidae phylogeny

466 Erika Kido

Silurian rugose corals from the Kurosegawa Terrane, southwest Japan, and the first occurrence of *Neobrachyelasma*

477 Ryoji Wani and Royal H. Mapes

Conservative evolution in nautiloid shell morphology: evidence from the Pennsylvanian nautiloid *Metacoceras mchesneyi* from Ohio, USA

493 Xue-Jian Zhu, Nigel C. Hughes, and Shan-Chi Peng

Ventral structure and ontogeny of the late Furongian (Cambrian) trilobite *Guangxiaspis guangxiensis* Zhou, 1977 and the diphyletic origin of the median suture

505 James E. Sorauf and Peter J. Harries

Morphologic variation in *Manicina areolata* (Cnidaria, Scleractinia) from the Pleistocene of South Florida

518 Owen A. Dixon

Endobiotic cornulitids in Upper Ordovician tabulate corals and stromatoporoids from Anticosti Island, Quebec

529 Calvin H. Stevens

New Early Permian colonial rugose corals from the central Cordilleran miogeocline, USA

538 Shawn A. Hamm

The Late Cretaceous shark *Ptychodus marginalis* in the Western Interior Seaway, USA

549 Ronald L. Parsley and Yuanlong Zhao

A new turban-shaped gogiid eocrinoid from the Kaili Formation (Kaili Biota), Balang, Jianhe County, Guizhou Province, China

PALEONTOLOGICAL NOTES

554 Simon F. Mitchell and Jose Maria Pons

Systematic and biostratigraphic significance of the American rudist bivalve *Durania aguilae* Adkins, 1930

556 Isabelle Kruta, Neil H. Landman, Isabelle Rouget, Fabrizio Cecca, and Neal L. Larson

The jaw apparatus of the Late Cretaceous ammonite *Didymoceras*

561 Kenneth D. Rose

New marsupial from the early Eocene of Virginia

566 Thomas E. Guensburg and James Sprinkle

Emended restoration of *Titanocrinus sumralli* Guensburg and Sprinkle, 2003 (Echinodermata, Crinoidea)
