History

Books and Journals from Cambridge University Press

History is the largest single subject area for the Press. It is a programme with both depth and breadth, ranging in subject matter from late antiquity to the present day, international in scope and embracing new approaches.

Our publishing includes major reference series, textbooks and monographs, as well as a collection of distinguished journals affiliated to the world’s leading scholarly societies.

Together, they reflect the diversity of the discipline and offer an unmatched resource for today’s historians.
