The MBA is also a registered charity with key aims being to promote scientific research into all aspects of life in the sea, including the environment on which it depends, and to disseminate to the public the knowledge gained. The Patron of the Association is His Royal Highness the Duke of Edinburgh, who is also Honorary Fellow. The other Honorary Fellows are His Scenic Highness Prince Albert of Monaco, Dr Sydelle Earle, Sir Tim Hunt and Professor James Lovelock.

The Association is a learned society founded in 1841 and incorporated by Royal Charter in 1911. The Marine Biological Association (MBA) provides a unified, clear, independent voice on behalf of the marine biological community. In 1848, the MBA opened the Plymouth laboratory at Citadel Hill.

The MBA also publishes a Marine Biologist Magazine. The Commissioners of Inland Revenue have approved the Association for the purposes of Section 16, Finance Act, 1950, and that the whole of the annual subscriptions paid by a member who qualifies for relief under the section will be allowable as a deduction from his emoluments assessable to income tax.

All correspondence should be addressed to: The Membership Secretary, Marine Biological Association, The Laboratory, Citadel Hill, Plymouth, PL1 2PB, UK (Tel: +44 (0) 1752 633100; Fax: +44 (0) 1752 633102, e-mail: membership@mba.org.uk).
