Neurology in the psychiatric patient: how to think about differentials in altered mental status and diagnoses not to miss – CORRIGENDUM

Jonathan McLaughlin & Tim Young

The authors would like to amend the biography for Tim Young to read as follows:

Tim Young has been a locum consultant neurologist at University Hospital Lewisham, Lewisham and Greenwich NHS Trust in London and currently works as an associate professor (teaching) and course co-director of the Clinical Neurology by Distance Learning MSc/Diploma/Postgraduate Certificate course at the Queen Square Institute of Neurology, UCL, London, UK.

The authors apologise for this error.
