Announcing a new career guide...

Alternative Careers For Political Scientists

Alternative Careers for Political Scientists contains practical advice for obtaining nonacademic employment. The authors are political scientists who personally experienced and observed the employment opportunities they describe. Chapters cover the federal government executive branch, Capitol Hill, state and local government, research and consulting, interest groups and associations, and corporate public affairs, as well as a general introduction to nonacademic careers. This guide should be of interest to curriculum planners and career counselors as well as individual job seekers. The price is $5 for APSA members and $10 for nonmembers.

ORDERS MUST BE PREPAID

Enclosed is a check for ______ copies of Alternative Careers for Political Scientists at the rate of (check one):

- $5 for APSA members
- $10 for nonmembers

Humanities Ph.D.‘s: Business Can Use Your Skills

Careers in Business, an innovative and successful program, is being offered for the eighth consecutive summer by New York University’s Graduate School of Business Administration. Recent Ph.D.’s and A.B.D.’s in the humanities and related social sciences are invited to enter the national competition for sixty places in the intensive seven-week summer program designed to orient them in substantive areas of business administration. Placement services are offered by the school, and interviews with major corporations and organizations in the public sector are provided.

Program dates: June 6-July 26, 1985
Application deadline: February 1, 1985
Tuition: $2,000

For applications, write or call: Dr. Ernest Kurnow, Careers in Business Program, Graduate School of Business Administration, New York University, 100 Trinity Place, New York, N.Y. 10006, (212) 285-6234

The Tragedy of Political Science

Politics, Scholarship, and Democracy

David M. Ricci

A strong indictment of the development of political science as an academic discipline. Ricci contends that, in attempting to become a science, the discipline spends more time producing and analyzing data than it does contributing toward society’s search for solutions to the larger issues of political life in general.

“After this work there’s no need for another account of the pathos of political science in its American incarnation; it says all that’s needed, says it tellingly, and thereby provides a basis for transcending it. A splendid book.” —Henry S. Kariel $30.00

Politics and the Life Sciences?

Yes! Politics and the Life Sciences!

- Because the explosion of biological knowledge has important implications for the understanding of human political behavior.
- Because PLS will keep you up-to-date on contemporary challenges of biotechnology to domestic and international public policy.
- Because PLS provides an innovative peer commentary framework to capture diverse viewpoints and insights.
- Because PLS will keep you informed about organizational developments and convention activities of the Association for Politics and the Life Sciences.
- Because PLS is relevant to all subfields of the discipline of political science.

Politics and the Life Sciences, the lively, interdisciplinary journal of the Association for Politics and the Life Sciences, is the only journal available that reports exclusively on important public policy, theoretical, and methodological relationships between politics and the biological and biomedical sciences.

Editor: Thomas C. Wiegele, Northern Illinois University

Editorial Advisory Board: Carol Barner-Barry, University of Maryland Baltimore County; Robert H. Blank, University of Idaho; Lynton K. Caldwell, Indiana University; Peter A. Corning, Palo Alto, California; James C. Davies, University of Oregon; David Easton, University of Chicago and University of California, Irvine; Heiner Flohr, University of Dusseldorf; Odella Funke, Environmental Protection Agency; Samuel M. Hines, Jr., College of Charleston; Fred Kort, University of Connecticut; Jean A. Laponce, University of British Columbia; Roger D. Masters, Dartmouth College; Steven A. Announcing...

The 1984 Guide lists over 300 Ph.D. and Masters programs in political science in both the U.S. and Canada. The description of each program includes information about specialization(s), tuition charges and financial aid, admission and degree requirements.

The Guide also lists over 4,900 faculty, by name, with their highest degree, fields of specialization, and current position. The Guide has a faculty and geographical index and comprehensive data for each program on student admissions, enrollments, number of degrees awarded, and affirmative action efforts.

The price is $12 for APSA members and $15 for nonmembers.

ORDERS MUST BE PREPAID.
