The Canadian Political Science Association was founded in 1913, and reorganized in 1929. The object of the Association is to encourage the investigation and study of economic, political, and social problems in Canada. The Association does not assume a partisan position. All shades of political and economic opinion are represented in its membership.

The Association welcomes as members all who are interested in its objects. Members receive a copy of The Canadian Journal of Economics and Political Science, published quarterly for the Association by the University of Toronto Press.

Arrangements have been made for a combined subscription to this Association and to the Canadian Historical Association at a reduced rate of $4.00 a year; also for a combined subscription to this Association and to the Canadian Geographical Society at a reduced rate of $4.00 a year; and for a combined subscription to all three societies at $6.00 a year. Members of the Association may subscribe to the Royal Economic Society through the Association at a reduced rate of $3.00 a year.
