

JOURNAL OF BIOSOCIAL SCIENCE

Editor: D. F. Roberts

An interdisciplinary journal publishing original papers, lectures and book reviews dealing with social aspects of human biology, biological aspects of the social sciences and biosocial topics in demography.

The Journal is published by the Galton Foundation and distributed by the Biochemical Society. Four issues each year, in January, April, July and October, form one volume. The subscription rate for 1985 is £35.00 (\$70.00).

Supplements

Supplements to the Journal contain the proceedings of Workshops on important issues. These are published as books and are separately priced.
