

### Erratum

**Kaushik Bose, Samiran Bisai, Priyanka Das, Swapan Dikshit, and Sampa Pradhan** (2007) Inter-relationships of income, chronic energy deficiency, morbidity and hospitalization among adult male slum dwellers of Midnapore, West Bengal, India. *Journal of Biosocial Science* **39**, 779–786.

Page 782, line 4–5, should read:

The mean age of the subjects was 34·6 years (SD=14·4 years).

Page 783, lines 21–27, should read:

There were significant differences ( $F=6\cdot101$ ;  $p=0\cdot00266$ ) between BMI categories in mean years of schooling (results not presented). Persons with CED had the least amount of schooling (mean 2·6 years), whereas overweight individuals had the most (7·37 years), with normal BMI subjects having an intermediate amount of schooling (mean 5·6 years). Similarly, FIG I subjects had significantly ( $F=4\cdot675$ ;  $p<0\cdot05$ ) lower mean years of schooling (2·9 years) compared with FIG III individuals (5·6 years).
