To the Uttermost Parts of the Earth
LEGAL IMAGINATION AND INTERNATIONAL POWER, 1300–1870
Martti Koskenniemi

To the Uttermost Parts of the Earth shows the vital role played by legal imagination in the formation of the international order during 1300–1870. It discusses how European statehood arose during early modernity as a locally specific combination of ideas about sovereign power and property rights, and how those ideas expanded to structure the formation of European empires and consolidate modern international relations. By connecting the development of legal thinking with the history of political thought and by showing the gradual rise of economic analysis into predominance, the author argues that legal ideas from different European legal systems - Spanish, French, English and German - have played a prominent role in the history of global power.
HOSTED IN THE HAGUE BY LEIDEN UNIVERSITY

- Study international and comparative law with leading scholars from Duke University and Leiden University law schools.
- Live in the heart of Europe with international law students and lawyers from the U.S., Europe, and around the world.
- Visit prominent international courts and institutions in The Hague and learn from expert international law practitioners.

The George Washington University Law School | 2000 H Street, NW | Washington, D.C. 20052
Advanced Global Legal Training

The University of Michigan Law School—one of the pioneers in the fields of international and comparative law—offers graduate degree and certificate options for foreign- and US-trained lawyers seeking to enhance their expertise.

**Master of Laws (LLM)**
Unique among LLM offerings, our LLM began more than 130 years ago and continues to flourish. It is intentionally small, with 30-40 students each year who are fully integrated with our JDs.

**Master of Advanced Corporation Law**
Spend one summer—12 weeks—studying in residence in a rigorous program specially designed for credentialed lawyers seeking to elevate and expand their careers in international corporate law.

**Certificates in Advanced Corporation Law**
Earn one certificate in four weeks or both in eight weeks. Global Capital Markets concentrates on US and international securities regulation while Global Transactions focuses on US and transborder mergers and acquisitions.

LL.M. FOR FOREIGN-TRAINED LAWYERS

Strong rankings. Personal attention. Top value.

Earn an LL.M. at Temple University Beasley School of Law, where you will take courses together with JD students, become part of a tight-knit community established in 1974, and live in the affordable city of Philadelphia, strategically located between New York and Washington DC. Students with strong performance may also transfer to the JD program.

Advance your career and join the Temple Law family: intllawtemple.edu
The Urban Morgan Institute for International Human Rights

*Training Citizens of the World*

Established at the University of Cincinnati College of Law in 1979, the Urban Morgan Institute for Human Rights is the first endowed institute at a U.S. law school devoted to international human rights law.

The Institute educates and trains human rights lawyers to promote and protect human rights in the international arena and serves as a model for other human rights programs around the world.

Urban Morgan director Bert B. Lockwood serves as Editor-in-Chief of the *Human Rights Quarterly*, widely recognized as the leading academic journal in the human rights field.

Fellowships available for JD and LLM students. Apply at law.uc.edu.
